Non Destructive editing

The screenshot shows a web browser displaying a Wikipedia page with developer tools open. The page content includes a navigation menu on the left, a featured article section titled "From today's featured article" with a portrait of a man and text about the Ostend Manifesto, and a "In the news" section with a list of news items and a portrait of a man. The developer tools are open at the bottom, showing the Elements panel with the HTML structure of the page, the Styles panel with CSS rules, and the Console panel with a log message.

From today's featured article

 The **Ostend Manifesto** was a document written in 1854 describing the rationale for the United States to purchase Cuba from Spain, and declaring that the U.S. would be "justified in wresting" the island from

In the news

- **Eric Betzig, Stefan Hell** (pictured), and **William Moerner** are awarded the Nobel Prize in Chemistry for their work on *stimulated emission depletion microscopy*
